Reminder: Review WVU OHRP/IRB's reporting requirements and ensure you are reporting events, as required to the IRB in the appropriate timeframe. Visit <https://human.research.wvu.edu/guidance/reporting-events> for more information. Please note, even if the study has been ceded to an external IRB, study teams must report any local events via Notify IRB in WVU+kc in accordance with [WVU OHRP SOP-010 – Single IRB Reliance](#)

Tips and Tricks

1. **Advertising in WVU eNews?** Please be aware that WVU eNews is public/searchable outside of WVU. If your study is recruiting using this as a tool, be sure to include appropriate safeguards in any survey tools (e.g.,

CAPTCHA) and explicitly describe any inclusion/exclusion criteria including restrictions to WVU employees/students in your recruitment materials if that is your intention.

2. **Ensure accuracy of the information in WVU+kc submission:** Ensuring the accuracy of your IRB submissions allows for the appropriate level of IRB review and accurate determinations.
3. **Full Board Meeting Dates and Submission Deadlines:** WVU OHRP/IRB meeting dates and deadlines are published here:
<https://human.research.wvu.edu/guidance/wvu-institutional-review-board-irb/2023-irb-meetings> Agendas close at the end of business (4:45pm) the day of the deadline.
